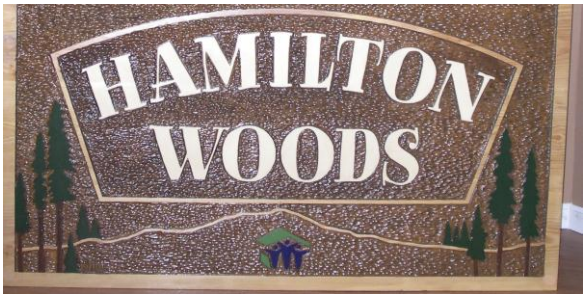
Habitat for Humanity® of North Idaho



YOUR NAME OR MESSAGE OF SUPPORT
" WRITTEN IN STONE" ON DISPLAY AT

Now you can invest in the building of simple, decent, affordable, homes in partnership with families in need, by supporting Habitat for Humanity of North Idaho and have your name or a message of your choice engraved in a paving stone to be permanently displayed at "Hamilton Woods", the building site of 4 homes (2 homes have already been completed) in Coeur d'Alene, Idaho! You will be able to view them in a tastefully arranged display within a common area at "Hamilton Woods" project at a future date.

These distinctive 3 ½ X 7 ½ brick pavers will be professionally engraved with a Helvetica font. A standard brick has a rough surface and looks like your typical outdoor brick.

See picture at left of the brick display constructed at Millard Place, a sub-division of twelve homes completed in 2009 in Post Falls.

To order a personalized brick paver with custom engraving, fill out the form below and send it in with a personal check for $40.00 for each individual brick payable to Habitat for Humanity of North Idaho or we can charge it to your Visa, Mastercard, or Discover Card.

Please keep a copy for your records and mail this original form to: **Habitat for Humanity of North Idaho**
